

Effervescent tablets formulations

UNIPRO[®]

UNIPRO®

Production of supplements UNIPRO

UNIPRO, a Polish company with three decades of experience in the production of food supplements and their distribution.

UNIPRO has over 30 years of experience of cooperation with pharmacies, doctors, drugstores and FMCG networks.

The UNIPRO production plant is equipped with laboratories that control the raw materials used for production as well as the final product.

In addition to its own brand ACTIVLAB PHARMA, UNIPRO is a producer of many well-known global brands. UNIPRO R&D also prepares formulations at the client's request.

UNIPRO has experience in plant and product registration processes. In many countries outside Europe, UNIPRO is already registered.

We invite you to cooperation
